Directions:

Place a check in the box if the girl has perfect attendance for the month. If not, write in the number of absences. Explain each absence at the bottom of the page. If a local meeting was dismissed as a result of a church vote not to meet that evening, or if the girls were dismissed to attend another church function, do not count that absence against the girl. Please note each dismissal with an explanation at the bottom of the page. THIS DOES NOT APPLY TO FULL-SUMMER DISMISSAL.
