1. Cover Sheet--Place a wallet size photo of the girl in the center. Underneath, print neatly: her name, her district, the title she holds, and her home church.

These, in turn, will be mailed by the assistant promoter to the interview committee; the originals will be kept by the assistant promoter to be returned to the district or sent on to the national promoter.

Note: Interviews may be taking place virtually this year. You will be contacted with further details about the interview once your packet has been received by the assistant promoter.
